NOVEMBER PRICE LIST

Welcome to the November edition of the H&V price list, with our latest pricing and product information across our insulation, cladding and ancillary ranges.

The main news this month is that several manufacturers have confirmed price increases taking effect from 1st January. We will always try and give you as much notice as we can, so if you have work booked in early in the new year, it is worth speaking to your local branch now. Our teams can talk you through what is changing on the products you buy most and help you plan your orders around it.

Everything else stays as it is. Stock across all three branches, our own delivery fleet, and free next-day delivery on the vast majority of orders, with same-day before midday and Saturday mornings when you need them.

If you have any questions about products, pricing, availability, deliveries or technical requirements, please speak to your local H&V branch. We are always happy to help.

Thank you, as always, for your continued business and support.
